My signature below affirms eligibility for coverage, and that all information provided is full, complete and true to the best of my knowledge. Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties. I understand that, in order to receive HMO benefits, I and any enrolled dependents must seek care through our Oxford affiliated primary care physician or through an Oxford affiliated specialist physician with an authorized referral from the primary care physician if required. I further understand that if I do not adhere to these requirements for HMO benefits, covered services will be treated as out-of-network benefits under the terms and conditions outlined in the Certificate.</small>
